

It is with great sadness that I inform patients and staff of the passing of Dr Bina Shah on 31st May 2020 following a long battle with cancer. She died peacefully at home in the presence of her family.

Having joined the NHS in 1979, she had worked as a GP at Roman Way Medical Centre from 1990 until her retirement in September 2018.

She will be remembered for her professionalism, dedication and loving care for her patients.

At her retirement she was granted the "Contribution to the NHS" award by NHS Islington for her outstanding commitment to healthcare.

Having known her for more than 20 years, I remain indebted to her for the continuing support as a colleague.

She was also my true friend and I shall miss her. She is survived by her husband and daughter who is a consultant neurologist.
